# "Resistance to Tyranny is Obedience to God": Women's Suffrage Turns 100

The Rev. Heather Janules

Worship Associates: League of Women Voters of Winchester

When Susan B. Anthony was found guilty of the crime of trying to vote as a woman, she invoked the familiar motto: "Resistance to Tyranny is Obedience to God." Belief in the right of every person to have a voice in how society functions is a profound article of faith, as exemplified by the arduous work of the suffragists, whose efforts led to the passage of the 19th amendment to the Constitution 100 years ago. Also celebrating their 100th anniversary is the League of Women Voters. This service, involving many WUS members who are also League leaders, will reflect on the long struggle for equal rights at the ballot box, the ways racism has impacted this struggle and the work that remains in our time for those who believe in every citizen using their voice.

This Sunday, we share our gifts with the **MA League of Women Voters Citizen Education Fund**. The Fund promotes voter registration, education, engagement, and protection activities and educates and engages citizens through public conversations on timely and important issues.

## Events This Weekend

### Parent's Night Out!

This Saturday, February 15th from 5-8.

Here's a valentine for parents and guardians. While your children play and socialize over a kid friendly meal, you might go have a dinner out eaten on plates that can break or spend some quiet time. Kids will be sharing a meal together, decorating and baking cookies and choosing some games to play as well as hanging out with other WUS friends. Ms. Juanita and WUSYgers provide childcaring.

## Religious Education

### This Sunday:

#### Morning Programs:

During the month of February we're acquainting children in our Religious Education morning program with some of the social justice initiatives within this congregation. This week we gather in one large group to hear about symbols, the women suffragists who wore white, the flags we fly in front of our congregation's building and the rainbow decals adorning windows and doors in Winchester. We will be writing thank you notes to mail to the businesses who said "yes" when asked to post a symbol of welcome and inclusion.

#### Afternoon Programs:

Our Whole Lives **does not meet this week**. See you **next Sunday at 4** to talk about conception and pregnancy.

## Congregational News

### Annual Pledge Campaign

This Sunday will be the midpoint of our 4-week campaign. So be sure to check out a fundraising thermometer which will be posted in the Symmes Room. **We've already received 27 pledge cards representing nearly 20% of pledging households** and putting us on our way to the \$400,000 goal. Please help us reach 100% participation by March 1. Thank you.

**Pledging is easy:** submit your card during the offertory, by mail, drop it off in person in the office, leave it in the designated basket during coffee hour or pledge online at [www.winchesteruu.org/giving/pledge/](http://www.winchesteruu.org/giving/pledge/). Additional blank pledge cards will be available during coffee hour.

### Rev. Heather on Vacation

With the exception of the Standing Committee meeting on February 19th, Heather will be on vacation from February 17-22nd. Intern Minister Marianne DiBlasi will be on-call for pastoral emergencies. Those who need to reach Marianne in the event of an emergency can reach her by calling 781.729.0949 or emailing [marianne@winchesteruu.org](mailto:marianne@winchesteruu.org)

### From the Intern Minister

As we entered the year 2020, the reality of my

two-year part-time internship coming to an end this Spring became more real. It's with bittersweet emotions of deep gratitude for and sadness of leaving this beloved community that I announce my last Sunday at WUS will be April 5. With the support of Rev. Heather and the Standing Committee, this date is sooner than the original end date of May 31 for two primary reasons.

First, in conversations with Heather, we recognized the truth that there is no such thing as part-time ministry. In spite of efforts to work the agreed upon 20 hours per week, having an authentic experience of ministry required working more than 20 hours. To compensate for the additional hours worked, my internship will end early.

The second reason is, I have commitments beginning mid-May. During the weekend of May 16-17, I will be in Chicago for graduation festivities and the commencement ceremony from Meadville-Lombard Theological School's Master of Divinity program. Shortly after returning, I will begin a summer Clinical Pastoral Education (CPE) chaplaincy internship at Heritage Havenwood Heights in Concord, NH.

I am comforted and energized by the wonderful ministry we will do together between now and April 5. I am honored for the opportunity to serve WUS as your intern minister.

With blessings,  
Marianne

---

The Intern Committee will host a cottage meeting to collect feedback on the internship of Marianne DiBlasi as she completes her 2 year stay with us.

**We'll meet Sunday, March 8th at noon in the Parlor. Please join us.**

### **New Year, New Keys**

In the coming months for the first time in 20 years the Society will be updating and changing the locks on the church. A new building access policy has been adopted by Standing Committee to enhance building security. Keys will be distributed to staff, SC members, Chairs of Committees, and others as required. We know this is big change and every effort will be made to minimize any disruption to congregational life. We will leap to new locks on February 28, 2020. Please make an appointment with Thomas Slack to get your new key.

### **Spiritual Legacy, Part II: Sunday, February 23rd 12:15-2:15 PM in Michelsen**

Please join us for part II of this workshop. We meet for a simple meal of soup and bread to nourish ourselves as we begin the process of

reflecting on our experiences of creating, or not creating, a spiritual legacy and discuss “what’s next.” All are welcome.

Contact Marianne DiBlasi or Donna Reed for any questions. RSVPs are requested, although not required. Please RSVP to Marianne DiBlasi at [Marianne@winchesteruu.org](mailto:Marianne@winchesteruu.org).

### **What is TerraCycle?**

TerraCycle® is a social enterprise eliminating the Idea of Waste®. Operating in 20 countries, it tackles the issue from many angles,

and has found that nearly everything we touch can be recycled. It collects typically non-recyclable items through national, first-of-their-kind recycling platforms. Leading

companies work with TerraCycle to take hard-to-recycle materials, such as ocean plastic, and turn them into new products. Its "Loop" platform aims to change the way the world shops with favorite brands in refillable packaging offered with convenience and style. So far millions of pounds of valuable resources have been diverted from landfills all over the world.

TerraCycle offers free recycling programs funded by brands, manufacturers, and retailers around the world to help individuals or organizations collect and recycle hard-to-recycle waste. Led by Shealagh Crowley, the Green Sanctuary team has chosen three firms' products to recycle, downloaded free shipping labels, and built a small collection station for display and use in the Symmes Room. We will check this collection station and consolidate what 's collected for free shipment back to the firms for recycling. The products are from three firms, **EOS-Evolution of Smooth**, **Burt's Bees**, and **Tom's of Maine**. Pictures of the products are shown here and on the collection boxes. Please fill them!

Azzi is a photojournalist, columnist, public speaker, education consultant and world traveler who is eager to answer questions and engage in conversation about his life, how he came to convert to Islam, about the religion of Islam and its history - especially in America, and about the Middle East, terrorism, and associated political and social issues. As Robert says, "Nothing is off the table...I'm learning more about this great country and my wonderful neighbors than I ever expected when I started this venture." Through open and honest discussion, he hopes to help reduce misunderstandings between people of different faiths. No registration required.

**Skilled Person Needed for Online and In-Person Networking and  
Fundraising with a Community-Based Team for an Important Cause**

Do you have interest and/or experience in creative online social media, fundraising and networking? Are you looking for an opportunity to use your talent and energy for a successful project to help others and, even put on your resume?

We would like you to join the "Our Family" Team!

In the last year, a small group in the Metro-North suburbs has been helping a young family working very hard to overcome challenges as newcomers to the US. They were living with a host family and now are staying in a home while snow-bird owners are away, and will soon need to find their own apartment.

They are educated, well-motivated, English-speaking adults eager to make a fresh start. Starting over is exciting, but life in this area is *so expensive*. As they seek work with their new work permits and Social Security numbers, they will need help to pay rent, utilities, food, health care and life's other necessities.

We're looking for someone energetic and enthusiastic to join our all-volunteer team for approximately 3-5 hours a week to network and fundraise for this appreciative family. We're thinking of different ways – a Facebook page, a Go Fund Me campaign, and other creative ways to encourage generosity from kind-hearted folks who would like to help a family that's working to help themselves.

If you would like to become an important member of a team of seasoned community helpers who have organized to assist this family – we'd love to have you join us. Please contact Karen at [karen@karenhirschfeld.com](mailto:karen@karenhirschfeld.com). We look forward to hearing from you!

Leave your telephone number for a call back to get the details on this dependable service. You'll be doing yourself a big favor!
